Microencapsulation technology

Strong penetration ability

Into the depths of the skin

Strengthen skin absorption

Effectively nourishes and repairs

1 Stratum Corneum
Lock in moisture

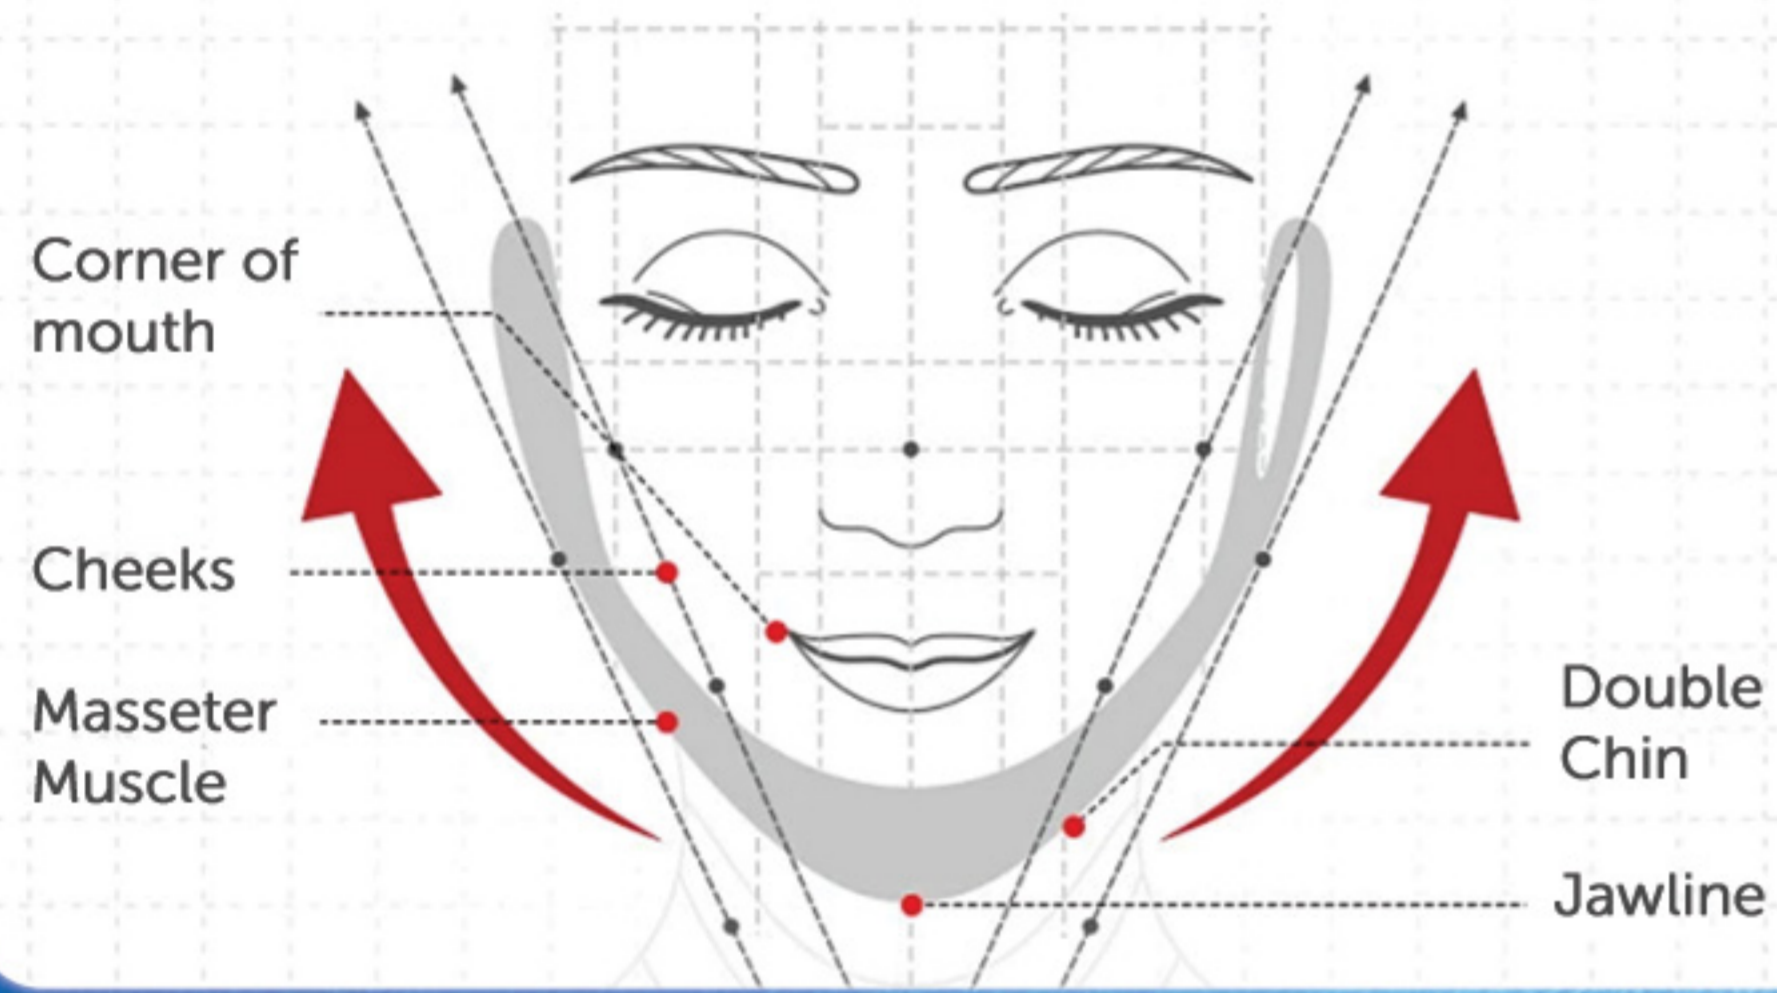

2 Dermis
Supplement nutrients and water

3 Basal Layer
Strengthen and rejuvenate

1 Deep cleansing, remove toxins & waste

2 Facelift, shaping V-shape face.

3 Anti-aging

Main Ingredients

Reverse skin aging.

To improve skin suppleness and elasticity.

Oat Glucan

Provides intense hydration for the skin, against uv damage, and accelerates wound healing by promoting the secretion of collagen and fibroblasts.

Sodium Hyaluronate

Compound of hyaluronic acid. Has moisturising effects

Sea buckthorn

Anti-aging, antioxidant, lighten dark spots.

Deep-sea fish oil

Anti-aging, improves normal cellular function, reduce pigmentation.

Avocado

Avocado is high in monosaturated fats and vitamins.

- Triggers the production of collagen.
- To nourish & soften the skin
- Fade dark spots.

How To Use

Repeat three times for first-time users.

After each application, wait **until it turns transparent** as it penetrates.

Use circular motions to gently massage to expel residual toxins & waste.

Gentle Reminder

Morning or evening time.

A
Once a day
one application each time

B
2-3 times a week
3 applications each time.

After use

✓ Wash once with a gentle cleanser

✓ Use products for daily skin care
